

Piec-liqué New York Beauty

Bring Lap Top Computer if available

This class is a basic to learn my new technique, Piec-liqué.

I will show you how to sew perfect curved seams.

This class is fun and easy. No stress.

If you have loved curved seams but were afraid to try them now is the time.

Equipment needed:

Sewing machine

A single needle plate for your sewing machine

Size 75 machine embroidery needles

Piecing thread (beige or gray)

Basic sewing Kit

Hard pressing Mat

Regular spray starch. (No spray sizing)

Freezer paper.

Medium stencil brush (1/2")

Water Soluble Basting Glue

Permanent marking pen

Serger/Surgical tweezers

Scissors (Paper and fabric scissors)

12 1/2" square ruler

Rotary cutter and mat

Iron: You will need your own

The only one that I find is hot enough to work is a Black and Decker travel iron or a Rowenta travel iron. You will need to purchase

one. A must, no other iron works.

Hard pressing mat

Supplies Needed:

1/2" yard for back ground.

5 different yellows for spires. (10" squares)

1 fat quarter for background behind spires.

1 fat quarter of black for arches.

You may get two blocks done in the class.

(This is just a suggestion for fabrics. Bring what you like).
